

Center For Languages

CFL

Benadir University's Center for Languages empowers learners with effective communication skills that focuses on both spoken and written English in real-life situations. Learners gain confidence and proficiency in vocabulary, grammar, pronunciation, listening, reading, and writing. Using a task-based teaching model with resources from Macmillan Education, the program blends online learning with interactive, student-focused classroom activities to ensure a holistic learning experience.

ENGLISH FOR UNIVERSITY STUDENTS

We serve Benadir University students by offering English language courses that cover all proficiency levels, from beginner to advanced. The English Language Program includes five levels supported 24/7 access to online practice and multimedia resources.

LEARNING OUTCOMES

Upon completing this course, anticipate a transformative journey where you will:

- 1 Use English fluently and with confidence.
- 2 Understand a wide range of written texts.
- 3 Write clearly on complex topics.
- 4 Think critically, work collaboratively, and communicate effectively.
- 5 Access, organize, analyze and use information technology responsibly.

OVERVIEW OF THE PROGRAM

The English Language Program helps university students to develop effective communication skills with a focus on speaking English in both local and global scenarios. It provides students with coping strategies designed to increase their confidence in a variety of situations. This five-level courses takes a period of five semesters. All courses use Speak Your Mind textbooks, corresponding to Common European Framework of Reference (CEFR) international standards.
